

Eclips X4 Kids

Ultra light kids wheelchair

Constructed in aluminum, the Eclips X4 kids offers you an ultra light wheelchair combined with sturdiness and ease of use. Equipped with clothing protectors results in a very modern look. Without the wheels and the footrests, the Eclips X4 kids weighs no more than 9 kilograms, which translates in easy transport.

VERMEIREN
we care for you

Products designed to suit you

Our basic principle is: the wheelchair must be adapted to you, not the other way around. That is why our wheelchairs are evolutive and an answer to your specific needs.

All types of wheelchairs can be adapted, have numerous options and can be fully personalized so that there is a wheelchair for every person. This is the result of our continuous research and experience since 1957.

Quality guaranteed

Regarding quality, the **Eclips X4 Kids** complies with the highest norms, laid down by certified test institutes in most European countries.
